of the **California Coastal Commission**, in partnership with the  
**U.S. Coast Guard Auxiliary**  
California Integrated Waste Management Board  
San Francisco Bay Conservation and Development Commission  
Boating Clean and Green Campaign Partners

PRESENT:

## DOCKWALKER TRAINING

- Use "pier pressure" to keep our waters clean
- Teach environmentally sound boating practices
- Obtain educational materials to distribute to boaters

This free half-day workshop trains Auxiliarists and other volunteers to teach boaters to employ environmentally sound boating practices. Participants in the training will be considered "Dockwalkers" or assistants to the Boating Clean and Green Campaign outreach efforts. Dockwalkers conduct face-to-face boater education out on the docks.
